

Creocote Timber Treatment

Creocote is an oil-based wood stain for protecting and decorating fences, sheds and other external timber products.

- Oil-based wood stain.
 - Ready to use.
- Characteristic odour
 - Easy to apply.

Technical Information

FORM	Oily Liquid
COLOUR	Dark Brown
ODOUR	Mild Tar, oily characteristic
SPECIFIC GRAVITY	0.85-.0.93
FLASH POINT	65°C
COVERAGE	1L will cover 4-6 m2 depending on timber.

DIRECTIONS

Preparation	Surfaces must be clean, dry and free from dust and grease. For best results apply to dry timber.
Application	Ready to use - do not dilute. Brush or spray apply. Alternatively a dip tank system may be used.
Caution	For External Use ONLY. Ensure adequate ventilation during application and drying. Avoid naked flames – flammable. No smoking or eating during application. Consult Safety Data Sheet before use. If in doubt contact our Technical Department.
Cleaning	Clean tools, equipment etc. using white spirit or proprietary brush cleaner. Alternatively or finally hot water and washing up liquid will emulsify the residue.
Storage	Creocote should be stored in closed containers protected from extremes of temperature. Packs may darken on storage.
Shelf Life	36 months in unopened containers.
Packaging	4L, 20L and 205L packs.
