

Fluxaf Mold & mildew stain remover

Product description:

Biodegradable Fluxaf Mold & mildew stain remover is designed to professionally remove tough stains from mold and mildew. It is safe and effective on practically all in and exterior surfaces. The Fluxaf formula works fast and protects against new stain as it cleans.

Use Fluxaf Mold & mildew stain remover for stains in your:

- Bathroom
- Shower doors
- Patio
- Shed
- Sink
- Vinyl curtains
- Wooden surfaces
- Boat
- Camper
- And many more

Not recommended on varnished surfaces.

Directions

Remove the mold and mildew stains in 4 easy steps.

Always test the effect of the product on a inconspicuous area first!

1. Spray Fluxaf Mold & Mildew stain remover on the stained surface until thoroughly wet.
2. Allow the product to work for 5 minutes.
3. Wipe and rinse the surface with a wet cloth or sponge
4. Tough stains can be removed using a brush.

Stains imbedded in old grout, silicone caulking or hard water deposits may not be removed by Fluxaf mold & mildew stain remover because the product can't reach the stain properly. To prevent the forming of mold and mildew stains, spray a mist of the product on the problem area every 1 to 2 months without wiping the surface.

Caution

Causes serious eye irritation

Wear protective gloves/protective clothing/eye protection/face protection.

Wash hands thoroughly after handling.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

If eye irritation persists: Get medical advice/attention.

Keep Out of Reach of Children
